

Privacy Policy

1. Information submitted by customers for orders:

- a. Order and shipping information is used only as necessary to process, ship and notify you of your order.
- b. On-line credit card orders are processed, verified and cleared through our merchant account by the various credit card companies using secured, encrypted web based protocols. Neither company employees, nor company engaged third party service providers, if any, have access to, or even see, credit card information.
- c. We may, from time to time, compile broad statistics of aggregate sales and communications for purposes of analyzing website performance, however such statistical information will not include any personal identifying information.

2. Other communications.

- a. Other communications, such as email, will remain confidential.

3. Statistics gathered by the Website.

In the normal course of operation, our website gathers various statistical data when it is visited. There is no personal data connected with these statistics. This data consists of such things as number of visits the site has received over hourly and weekly periods; which pages are visited, for how long; the sequence of pages accessed; IP network addresses originating requests for site pages, giving us a rough idea of their geographic areas. This information is available to our web analysts, allowing us to do some evaluation of site elements, bandwidth utilization, and search engine optimization.

4. Legal Disclosures:

SlumberSleeve may disclose your personal information if: a) required by law to do so, or if we believe it is necessary to conform to statutory law or legal processes served on us, b) protect and defend the rights or property of SlumberSleeve, or, c) in unusual circumstances, protect the personal safety of SlumberSleeve, our employees and customers, the website or the public.

5. Email advertising:

Currently, we have to plan no send out mailings to our customer base. However, in the future, there may be circumstances or event(s) connected with our site or product(s) that may prompt us to do so. In the event such a mailing takes place, the mailing will include a simple mechanism allowing the recipient to choose to be excluded from future mailings. We will not send out a mailing on behalf of another company, nor will we share any portion of our customer database with an outside company.

Although we don't anticipate changing our privacy policy often, we do reserve the right to do so at any time. Our privacy policy link will provide any updates, if any, to this policy.
